OLD VIRGINIA HOLDS HER PLACE

Usual Nine Democratic Congressmen Elected Out of The Ten

WAS QUIET ELECTION.

About One-third of The Democratic Vote Brought Out—Ideal Weather Prevailed in the State.

Richmond, Va., Nov. 4—Virginia's vote in the Congressional race yesterday resulted in the election of nine Democrats and one Republican.

Less than one-third of the total vote of the State was cast, and excepting in the Ninth and Tenth districts, there was very little activity about the polls.

In every district there was a Socialist candidate, but the total Socialist vote of the State will not aggregate 5,000. J. L. Rose, the Progressive candidate in the Ninth district received a very small vote.

The day's voting resulted as follows:

First District—William A. Jones, Democrat, re-elected.

Second District—Edward E. Holland, Democrat, re-elected.

Third—Andrew J. Montague, Democrat, re-elected.

Fourth—Walter A. Watson, Democrat, re-elected.

Fifth E. W. Saunders, Democrat, re-elected.

Sixth—Carter Glass, Democrat, re-elected.

Seventh—James Hay, Democrat re-elected.

Eighth—Charles C. Carlin, Democrat, re-elected.

Ninth—C. Bascom Slemp, Republican, re-elected.

Tenth—Harry D. Flood, Democrat, re-elected.

In the Ninth district, where Governor Stuart, Senator Swanson and Congressmen Flood and Glass have waged a battle in the interest of the Democratic candidate, R. Tate Irvine, and where former Secretary of the Treasury Shaw spoke for Congressman C. B. Slemp, the voting was brisk, with a few scattering precincts to be heard from, indications are that the Republicans have swept the district by a majority ranging from 3,000 to 5,000.

In Richmond city and Henrico county compulsory education carried by a majority of 20 to 1. The voters of Richmond also ratified the election of John Hirschberg and Carlton Mc Carthy to succeed themselves as members of the administrative board.

Charles C. Carlin had Republican opposition in the Eighth district, and Harry Delaware Flood had Republican opposition in the Tenth district besides the opposition of Socialists, but each won by a good majority.

C. O. Goolrich, of Fredericksburg, and W. L. Andrews,of Roanoke, were elected to the State Senate to fill vacancies caused by resignations, and in Richmond Edward R. Fuller was elected to the House of Delegates to Fill the vacancy caused by the death of David L. Toney.

DOG BIT OFF HIS NOSE

Lad Disfigured for Life for Taking Bone Away.

Philadelhia, Nov. 4—Sweeping a bone away from a dog cost Peter Zovelski, 9 years old, of No. 1911 south Ninth Street, Camden, his nose yesterday. The boy was cleaning the yard, and as he moved the bone he was attacked by his pet and thrown to the ground. As the boy lay on his back the dog tore off his nose and part of his jawbone.

Neighbors hurried to the assistance of the little fellow and sent him to Cooper Hospital, where it was stated that he will be disfigured for life. The dog disappeared, but when it is located it will be shot.

NEWS OF THE DAY

The secretary of the British admiralty announces that a combined British and French squadron bombarded the Dardanelles forts at long range at daybreak yesterday morning. The forts replied, but no ships were hit, only one shot falling alongside them. The statement adds that the damage to the forts cannot be estimated, but that a great explosion, accompanied by dense volumes of black smoke, occurred at the Holles fort.

The German warships Gneisenau, Scharnhost, Nurnberg, Leipzig, and Dresden, on last Sunday evening attacked the British fleet off Coronel, Chile. The British cruiser Monmouth was sunk. The cruiser Goodhope was very badly damaged, and as she was on fire is supposed to have been lost. The British cruiser Glasgow took refuge in the harbor of Coronel, and is now bottled up. The German battleships Schranhorst, Nurnberg and Gneisenau anchored yesterday in Valparaiso harbor, uninjured.

The Copenhagen correspondent of the London Evening News says that a German subject who heard Emperor William on a recent occasion when he addressed his troops quotes his majesty as follows: "We are now fighting fr the life of Germany. They wish to kill Germany, but I say if we win—and we must win—a new empire shall arise more splendid than the world ever saw—a new Roman-German empire, which shall rule the world, and the world shall be happy."

Former President William H. Taft voted yesterday in New Haven, Conn., having been escorted to the polls by his friend, Colonel Isaac Ullman, New Haven Republican leader. When Ullman ripped down the litograph pictures of the President Governor Baldwin had placed on the front of a building occupied by Democratic headquarters Taft edged his way out of the angry crowd that surrounded Ullman, who tore down a second picture of the President that was hung up. The police were called, Ullman ejected from the vicinity, and the President's picture posted again.

The total Panama canal tolls for the month of October amounted to $377,000, a gain of $107,900 over the September collections.

Dr. J. C. Klutho, of Los Angeles, Cal., returned from Europe yesterday on the Atlantic Transport Minnetonka after serving for two months as a surgeon in the Austrian Red Cross. "The Austrians estimate their losses at 1,000,000" he said. "Of that number 400,000 are wounded, 300,000 dead and the rest prisoners. Had it Had it not been for the support of Germany, Austria would have been wiped out long ago.

All villages within a tenmile radius of Mount Vesuvius are depopulated as a result of the volcano's continued eruption. More than 8,000 slept in the open fields Monday night. The eruption is becoming more serious hourly and great streams of lava are pouring down the mountains. Showers of ashes have fallen as far as fifteen miles from the base of Vesuvious.

The British submarine D-5 was sunk in the North Sea early yesterday morning by a mine which was thrown out by a German cruiser retreating before British cruisers. Two officers and two men of the submarine were saved.

Secretary Garrison yesterday ordered four troops of the Fifth United States cavalry from Fort Sheridan, Ill., to Fort Smith, Ark., to maintain order in the Hartford valley coal strike district. Maj. Nathaniel F. Mc Clure, who has been with the troops in the Colorado mining fields, will command the force.

The German fleet is reported to have come out and four battleships and four cruisers are declared to have put to sea from the German base at Kiel.

HON. CHARLES C. CARLIN
Of Alexandria who was re-elected to Congress yesterday by an overwhelming majority

CARLIN WAVE HAD FULL SWEEP

Candidates of Other Organizations Submerged by Avalanche

HAS A LARGE MAJORITY

Alexandria Congressman Carried Every County in His District in Yesterday's Election.

Carrying every county in the district by a vote of four to one against his combined opponents, Rpresentative Charles C. Carlin, the Democratic nominee, was returned to Congress from the Eighth congressional district by an estimated majority of 4,000. In Alexandria city where the Republicans had made a most active campaign for Joseph L. Crupper, the Republican nominee and where there were some dissatisfied Democrats who bolted the ticket, Carlin led his principal opponent by 469 votes.

The vote throughout the district was light but was larger in the city than had been expected.

In Alexandria city the vote was as follows: First ward—Carlin, 213; Crupper 104; Johnston 1; Fling, 1; Second ward—Carlin 238. Crupper, 93; Johnston 1; Fling 1; Third ward—Carlin 206. Crupper 116; Johnston 3; Fling 1; Fourth ward—Carlin 214; Crupper, 89; Johnston 1; total. Carlin 878; Crupper 402; Johnston 6; Fling 3.

In Alexandria county the total vote was 551, of which number Carlin received 349, Crupper, 197; Johnston 4 and Fling 1, the vote by districts being as follows: Jefferson—Carlin 54; Crupper 59; Fling 1; Johnston 1. Arlington—Carlin 204; Crupper 92. Johnston 3; Fling 0; Washington—Carlin 91; Crupper 46; Fling 0. Johnston 0.

The following returns have been received from counties in the Eighth district: Loudoun—Carlin 739; Crupper 195; Fauquier—Carlin 686; Crupper 159. Johnston 16; Fling 0; Culpeper—Carlin 537; Crupper 59; Johnston 2; Fling 2; Fairfax—16 precincts out of 23 give Carlin 592; Crupper 193. Johnston 17 and Fling 1.

When the returns were made known Mr. Carlin was the recipient of many congratulations from his friends and well wishers. He remained at his office until he heard from practically all of the counties in this district and was satisfied that Mr. Crupper had received the worst defeat of any republican candidate that had opposed him. The result throughout the district was extremely gratifying to Mr. Carlin as he had slept but very few hours in his canvass having been detained in the house by his congressional duties and then drawn into service in the New Jersey campaign.

TO SUPPORT GUTIERREZ.

Zapata Representatives Satisfied With His Choice as Provisional President.

Washington Nov. 4.—General Villa has pledged allegiance to Eulalio Gutierrez, who was selected as Provisional President of Mexico at the Aguascalientes convention, according to State Department reports.

The convention adjourned late Monday night on receipt of a report from the special committee sent to the capital to inform Carranza of the action of the convention. Suggestions that it will reassemble immediately in Mexico City were met with expressions of apprehension by many delegates who feared arrest. If Carranza accepts the decision of the convention, however, the delegates plan to assemble in the capital and administer the oath of office to Gutierrez.

Government officials had no confirmation of the report that Carranza had defied the convention, but credited it because of previous indications that he would do so. The Zapatista delegates were reported to have expressed themselves satisfied with the choice of Gutierrez.

PAYNE AGAIN ARRESTED

Fairfax Constable Released on Writ of Habeas Corpus.

A. J. Payne, Constable of Fairfax county, after having defied the Deputy Sheriff of that jurisdiction Monday night after he had been sent on to the grand jury, came to this city.

He was arrested late in the day at the instance of Sheriff Allison, who appeared here with a warrant issued by Justice Troth, and kept in the station house until about noon today. J. K. M. Norton, his counsel, swore out a writ of habeas corpus and about noon Payne was brought before Judge Barley of the Corporation Court. The constable was dismissed by the Judge, who declared the warrant and commitment illegal.

NEGRO LYNCHED IN SOUTH

Mississippi Mob Victim Accused of Attacking White Man.

Memphis, Tenn., Nov. 4.—Tom Burns, a negro, yesterday was taken from a deputy sheriff near Hernando, Miss., and lynched. The deputy was on his way to jail with the prisoner, who was charged with attacking a white merchant at White Haven.

REPUBLICANS GAIN IN SOME STATES

Glynn and Gerard Defeated in New York and Cox Loses in Ohio

REDUCED MAJORITY

Democrats Will Still Have Control of House of Representatives and Make Gains in Senate.

The election in the various states yesterday resulted in a reduction of the present democratic majority in Congress:

In New York, Charles S. Whitman was elected Governor by the Republicans, defeating Glynn, Democrat, and Davenport, Progressive. William Sulzer, on the Prohibition ticket, got 100,000 votes. James W. Wadsworth, Jr., Republican, was elected United States Senator over James W. Gerard, Democrat, and Bainbridge Colby, Progressive.

In Pennsylvania the Republicans elected Boies Penrose to the United States Senate and Martin G. Brumbaugh Governor.

Connecticut went Republican, Governor Simeon E. Baldwin, Democrat, being defeated for Senator.

Roger C. Sullivan, Democrat, appears to have been elected United States Senator from Illinois. Former Speaker Cannon was re-elected.

The re-election of Walsh, Democrat, as Governor of Massachusetts, is indicated.

While the Democrats will control the next House of Representatives, their majority will be cut. In the West, especially, Bull Moosers seemed to have gone back to the Republican party.

One of the features of the election was the heavy falling off in the Progressive vote everywhere.

C. Bascom Slemp, Republican, was re-elected in the Ninth Virginia district. All the other Congressmen are Democrats.

Indicatfons are that Miller, Republican, has been elected to Congress in Delaware, to succeed Brockson, Democrat. The Legislature is in doubt. On the question of prohibition the "wets" will probably control that body.

In early returns Miller Republican, for Senator in Indiana, was leading Shively, Democrat.

Thomas C. Rye, Democrat, leads Governor Benjamin W. Hooper, Republican, in Tenessee.

In Ohio the cities cast heavy votes against prohibition.

John Walter Smith, sucessor to the late Senator Arthur Pue Gorman as head of the Democratic regular organization in Maryland, has been re-elected United States Senator by a big popular vote, his majority over Edward C. Carrington, Jr., regular Republican, but formerly chairman of the moose State committee, being, from 20,000 to 25,000.

The Democrats elect five of the six representatives, the one successful Republican being Sydney E. Mudd, who defeated Richard H. Johnson, Democrat, in the Fifth district by 1,000.

Columbus, Ohio Nov. 4—Ohio was carried by the Republicans in yesterday's election. Frank B. Willis, of Hardin county, was elected governor by a plurality that is estimated on claims of county chairman to be from 8,000 to 15,000 over Governor James M. Cox.

Governor Cox at 10 a. m. today conceded defeat by from 8,000 to 15,000, and sent his congratulations to Governor elect Willis.

Cox observed his defeat was brought about by Hamilton county (Cincinnati), where the vote went heavily against him. Cleveland supported Cox by at least 18,000.

RUSSIAN WOMEN FIGHTING.

Don Male Attire And Get to Front Despite Authorities.

London, Nov. 4.—The correspondent of the Morning Post in Petrograd sends the following:

"Rumors persist that Przemsyl, in Galicia, has been taken, but these reports are untrue. What really happened is that the Russians captured 4,000 of the garrison, with a large amount of arms and equipment, when the garrison attempted a sortie. Cholera and typhus are reported to be raging at Przemsyl.

"The number of women coming back wounded from the Russian front proves that the contingent of adventurous females on the fighting lines is considerable. These women, as a general rule, cut their hair, assume a soldier's uniform and get away secretly with the connivance of friends among the soldiers. Others start alone on various pretexts, such as seeking injured relatives and then don male attire when they reach the front.

"A Cossack girl trooper, Helen Choba by name, went with the full knowledge and permission of the authorities, having long been distinguished as a horsewoman, swordswoman and markswoman.

"Colonel Tomilobbskaya's daughter, who in male uniform on the Augustowo front distinguished herself as a scout leader, has been wounded three times."

ENGAGEMENTS ON THE HIGH SEAS

Battles Said to be in Progress Today on the North Sea.

SINK BRITISH SHIPS.

Operations on the Black Sea—Turkish Fleet Reported to Have Sunk Russian Vessel.

London, Nov. 4—Official confirmation still is lacking of the report that a German squadron of heavy war craft has left the naval base and headed for the open sea, it persists in official quarters, however, and there has been no denial.

Reports also are current in well informed circles that a naval battle is in progress in the North Sea. It is believed the Kaiser's battle fleet has been intercepted by the British scout ships.

The admiralty shows signs of the greatest activity. Most of the chiefs have been on duty throughout the night and it is believed here that important events are impending.

One of the reports which receives the most credence, is that the Germans are attempting to run the blockade of the British fleet with some of their fastest cruisers and tenders in the expectation of joining the Karlsruhe off the South American coast.

It developed today that the engagement yesterday when the submarine D-5 was sunk was of much greater magnitude than at first appeared. A fleet of mine layers was at work when it was surprised by a German squadron and the Fraternal was sunk and the Copious badly damaged.

The torpedo gunboat Halcyon, which was on duty, engaged the Germans and the latter managed to hit the gunboat several times, although the damage was comparatively small. The German raiders were apparently enroute to bombard the British coast when they encountered the British vessels and were forced to fight.

As soon as the Germans were sighted a wireless was sent to the naval base and the light cruiser squadron which had been waiting for the opportunity to take a hand in the game started for the scene.

The Germans, however, turned and headed toward Wilhelmhavevn. It was in the ensuing chase that the D-5 was sunk. One report says that she hit a mine thrown overboard by the Germans and another that she was torpedoed. Only four of her crew were saved and most of the crew of the Fraternal also lost their lives.

Valparaiso, Chile, Nov. 4—In the most important naval battle of the war between European powers, a German fleet engaged the British squadron, composed of the Good Hope, the Monmouth, and the Glasgow, off Coronel, Chile, and decisively defeated it.

The Monmouth was sunk by German shells. The Good Hope' flagship of Rear Admiral Sir Christopher Cradock, ran for shore while seemingly ablaze from stem to stern, and is believed to have been wrecked on the rocks. The Glasgow, with a greater speed than the other English vessels, reached the harbor of Coronel but she is reported to be badly crippled by the German shells. It is believed that she will have to be interned before she can have time to make repairs and put to sea.

London, Nov. 4—News agency dispatches from Sofia declare that the Turkish fleet in the Black sea has sunk the Russian battleship, Sinop. There is no confirmation in official circles here.

The Sinop was built in 1887, was 339 feet long with a displacement of 11,230 tons. She carried a crew of 656 men and was armed with six 12-inch; seven 6-inch, and four 3-pounder guns. She has long been considered obsolete, and the latest naval lists do not carry her as in commission.

ARE PLEASANT IN DEFEAT

Victors and Vanquished Talk Good Naturedly Today Over Yesterday's Contest.

The result of yesterday's election in Alexandria has been the cause of considerable pleasantry today. Those who took the most prominent parts in endeavoring to secure a complimentary vote for the republican candidate for Congress did not emerge from their storm cellars today until the sun was well up in the heavens and most of them seemed to be in a hurry when accosted by supporters of the present incumbent and who was called upon to succeed himself by such a large majority.

Tickets for Salt River has been offered freely, but the few members of the democratic party who found themselves in the losing camp declined them, and doubtless will be found in their proper places next time.

Although much earnestness was manifested by the champions of both candidates, there were no frictions nor disorderly scenes about the polls yesterday. There was but little buttonholing and voters generally deposited their ballots without suggestions or interferences from lookerson.

Those who came out second-best take their seat back good-naturedly, while those of the dominant party act equally pleasant toward the vanquished.

These futile attempts to boost republicans nominees for Congress in the Eighth district are of periodical occurrence, generally at long intervals, and years will doubtless come and go before others will have the temerity to enter this democratic stronghold.

He was brought to Petersburg on a special train and taken to the Petersburg Hospital. He died late in the afternoon.

He was a brother of E. A. Hartley, a member of the firm of E. A. Hartley & Bros., commission merchants, this city; president of the bank of Stony Creek and a member of the Virginia Legislature from Sussex county. He was 62 years old and is survived by his widow.

WANT FREE ADMISSION.

Ordinance in Interest of Richmond City Fathers.

Richmond, Nov. 4.—The ordinance introduced by Councilman Edgar B. English, of Clay Ward, which provided for the free admission of councilmen into theaters, dance halls and other places of public amusement, was reported to the Common Council at its meeting Monday night, with the recommendation that it do not pass. It was rejected by the committee at its last meeting.

In support of his measure, which was greeted with a wave of mirth upon being reported from the committee, Mr. English said that it was a matter of more serious import than appeared on its surface.

"I do not intend," he said, "to press the matter at this time. I will say that the Council is frequently called upon to pass on matters regarding places of amusement, and the members cannot be familiar with conditions unless they visit such places. I would suggest that the matter be recommitted for further and more serious consideration."

Councilman Gilbert K. Pollock was promptly on his feet and offered a motion that the ordinance be recommitted to the committee for further consideration and report. It was unanimously carried by the nineteen members present, who looked upon the proposed ordinance as anything but of a serious nature.

Mr. English assured the body that the committee this time would not act hastily.

MONTHLY STATEMENTS

Reports Presented at First General Assembly at St. Mary's Academy.

The first general assembly for monthly reports this year at St. Mary's Academy took place this morning. Before the reading of the averages Miss Emma Hubbard rendered a piano solo. This was followed by the reading of the class paper. Clever articles in verse and prose on a wide range of subjects including "Class History," "Summer Saunterings" "Athletics at St. Mary's," "Alexandria Play Ground Movement" "Alexandria Twenty Years Hence," "A Bit of Wholesome Advice from the graduates to the Lower Classes," proved that the graduating and undergraduating classes have some students who promise well in English.

The pupils making the highest average in their respective classes this month are as follows:

Graduating class Mary Canovan, 98 per cent.

Third year, Myrtle Smith 95 per cent.

Second year, Georgianna Lash 94 per cent.

OLD VIRGINIA STANDS PAT.

While democrats in some of the states of the union yesterday allowed the fruits of their great victory two years ago to slip from their grasp, Virginia remained as true to her political principles as ever, and returned nine out of the ten representatives to Congress as she has done for many years. Democracy, to the majority of the voters of the Old Dominion, is as the laws of the Medes and Persians.

It is unfortunate that one of the Congressmen from the state is compelled to find associates other than those of his own heath when he sojourns in Washington. But the people of the Ninth district will have it this way, notwithstanding the repeated efforts of the people of the state to induce them cast their lot with the great majority.

While the south remains solid and holds firmly to her cherished convictions, the fact is apparent that there is fickleness in other sections of the country. It seems that some cannot be counted upon in national politics. After struggling for about twenty years to set aside the republican majority in Congress, the south with the aid of democrats of other sections, succeeded in bringing about changed conditions in 1875, when a democratic majority appeared in the House of Representatives. Their temure was limited, however, and although the south remained as firm as Gibraltar, a republican Congress subsequently followed. After having been swindled out of the Presidency when Rutherford B. Hayes was foisted upon the country and waiting until the term of Chester A. Arthur had expired, the democrats elected Grover Cleveland President, but the same seasaw procedures continued, and ne was defeated by Benjamin Harrison, the republican candidate, four years later.

It seems strange that after such a signal democratic victory two years ago, when the party swept the country, that any decided change should have come over t he spirit of the dreams of those who helped to roll up such a majority.

No serious issues have faced the voters on this occasion. Representative men of the republican party have heartily endorsed the policies of the administration and the country is being conducted in a practical and business-like manner. The only answer that can be made is that men are capricious and have been so before and since days of Epaminondas and other worthies of old who were set aside by people who did not appreciate their worth until after their death.

One of the results of yesterday's election was the practical elimination of Theodore Roosevelt from American politics. He seemed to attract but little attention in the great battle. It is difficut to get him to realize the fact that he has seen his day, but the manner in which he was snowed under yesterday should make this apparent to him.

GERMANY'S "CLAIMS" ON THE UNITED STATES.

The wise advice of President Wilson to the people of the United States to refrain from showing any undue enhtusiasm for either of the nations now engaged in this most fearful of all wars, should be heeded. Of course, in a polyglot country, made up peoples of all climes, sympathy is divided, some desiring victory to perch upon the banner of this and others upon that nation. While allowing this, there is no need of hilarious demonstration, but each citizen of the country can entertain his opinions without making himself offensive to his neighbors or associates who have the right to entertain their own opinions.

English and Teutonic blood flows in the veins of many of us, and representatives of the warring countries ever since hostilities commenced have endeavored to stir up sentiment in the United States for their respective favorites. German writers have been especially busy in this connection, as have also Teuton officials. It will be remembered that nearly all residents of the United States who were caught in Germany at the outbreak of the war after their return spoke of the courteous treatment they received from the Kaiser's people.

All this was doubtless true, but some of the well-wishers of the Fatherland place themselves in ludicrous positions when they tell us Germany ,or what was then known as Prussia, was the first European nation to acknowledge the United States as one of the free and independent nations of the world.

While we have no ill-feeling toward Germany, this assertion should be explained more fully. After Germany had hired Hessians to Great Britain who were to aid in crushing the colonies, and long after these mercenaries had surrendered and many were citizens of the United States, this country experienced trouble in its commercal relations with other nations while endeavoring to build up its foregn trade. It was at this juncture, when the United States was walking alone, that Prussia so maganimously recognized us.

Dr. Samuel Johnson attempted in his younger days to secure a degree from the faculty of Pembroke College. It was refused, but after Johnson had become a power in the world of letters, the college conferred the degree. The sensitive old man returned it with a caustic letter in which he said the action of the faculty reminded him of people who stand upon the sea side watching a man fighting with breakers and attempting to reach the land. When he finally succeeds and starts to walk up the bank many run and offer him their arms.

THE REPUBLICAN FLASH IN THE PAN.

The hallucination entertained by republicans of Alexandria that with a small percentage of disaffected democrats a large vote would be polled for the opponent of Hon. C. C. Carlin passed away early last night when it was seen that the present incumbent had received more than two to one of the votes cast. In other words, Mr. Carlin had more majority than all of his competitors votes.

There had been much talk during the past few weeks concerning alleged antagonism to the present able representative from the Alexandria district, but, as had been suggested by the Gazette, when the day came for casting ballots many who had been loud in their criticisms seemed to realize the fact that the fight was between the democrats and republicans, and not relishing crow, they resumed their former places in the democratic ranks. A corporal's guard however, who preferred to remain adrift, went down under the avalanche.

No well-informed democrat had any idea that the people of Alexandria would endorse a republican for Congress even by a substantial complimentary vote, and the result yesterday shows that our city is not subject to any variation or shadow of turning from its democratic convictions.

The returns from the district show the same rock-bound Democratic conditions which existed anterior to the days of "Extra Billy" Smith are as impregnable as ever.

In the political history of Virginia there have been times when a certain percentage of the democratic party have thoughtlessly strayed from the fold, but such have always returned sadder and wiser. Many allowed themselves to be fused with republicans during the days of William Mahone. They crept back however, at the first favorable opportunity and have profited by their experience. It will doubtless be so with the few misguided Alexandrians who followed the ignis fatuus yesterday.

President Wilson has said about all that could be said of Hon. C. C. Carlin. The administration earnestly desired his return to Congress, and his many friends in the Eighth District and throughout the commonwealth rejoice with him in his great victory. He has been returned to Congress on a tidal wave, where his work of usefulness for his state and the nation will be continued.

Mr. Crupper's vote in the District will be quite disappointing to his friends; he seems to have made a poor showing even from a Republican standpoint.

Mr. Carlin's victory of yesterday in the District was to be expected. But the vote of confidence given him in his home town must be to him especially gratifying.

CLUB AMONG THINGS OF PAST.

The election of yesterday recalls the words of the once popular song:

"Here's another little job
For the tombstone maker;
Also one for the undertaker."

It is understood that the T. Chauncey Club will probably not find it necessary to call another meeting for the purpose of dissolving, as the club stands disbanded by order of the people.

BLEASE BLOCKS COTTON LOAN

Refuses Either To Sign Or Veto Bond Issue Bill.

Columbia, S. C., Nov. 4—Gov. Cole Blease's refusal either to sign or veto a bill passed by a special session of the Legislature providing a $24,000,000 State bond issue for loans to cotton farmers prevented possibility of its becomnig a law yesterday.

The South Carolina Legislature, which adjourned at 1.30 o'clock yesterday morning, passed the bill several days ago. It was to have gone before the people yesterday for approval.

The House Judiciary Committee holds that the measure would not be automatically enacted without the Governor's signature until midnight, too late for a vote by the people.

A LARGE CONTRACT.

What Leadbeater & Sons Wants Every Person in Alexandria to do.

When Leadbeater & Sons the enterprising druggists first offered a 50 cent package of Dr. Howard's specific for the cure of constipation and dyspepsia at half price, and guaranteed to return the money if it did not cure, they thought it probable from their experience with other medicines for these diseases, that they would have a good many packages returned. But although they have sold hundreds of bottles, not one has been brought back.

To those suffering with dizziness headache poor indigestion, constipation and straining, Dr. Howard's specific offers quick relief. It is an invaluable boon to all who feel uncomfortable after eating, and is today the popular dinner pill in all the large cities.

"Chamberlain's Tablets have done more for me than I ever dared hope for," writes Mrs. Esther Mae Baker, Spencerport, N. Y. "I used several bottles of these tablets a few months ago. "I like Chamberlain's Cough Remedy better than any other," writes R. E. Roberts, Homer City, Pa., "I have taken it off and on for years and it has never failed to give the desired results." For sale by all dealers.

Why Not Publish It?

When you want a fact to become generally known, the right way is to publish it. Mrs. Joseph Kallans, Peru Ind., was troubled with belching sour stomach and frequent headaches. She writes, "I feel it my duty to tell others what Chamberlain's Tablets have done for me. They have helped my digestion and regulated my bowels. Since using them I have been entirely well." What Would You Do?

There are many times when one man questions another's actions and motives. Men act differently under different circumstances. The question is, what would you do right now if you had a severe cold? Could you do better than to take Chamberlain's Cough Remedy? It is highly recommended by people who have used it for years and know its value Mrs. O. E. Sargent, Peru, Ind., says "Chamberlain's Cough Remedy is worth its weight in gold and I take pleasure in recommending it." For sale by all dealers.

TO CALL NEW SESSION.

Governor Will Take Matter Under Consideration on His Return Home.

Richmond, Va. Nov. 4.—Governor Henry C. Stuart will return to the capitol today, it is expected and will at once digest the report of the State tax commission and take under consideration his proclamation calling an extra session of the legislature in conformity with the resolution adopted by the general assembly last winter.

Governor Stuart received a petition some time ago signed by the great majority of the members of the general assembly, asking that the extra session be called for the second Wednesday in January, but the governor deferred taking action until the report was submitted, At the time there was a belief current that the commission would not finish its work within the prescribed time and accordingly the session would have to be postponed. The work of the commission has been completed and the report is now in the hands of the printer. Consequently, it is believed by the commission and members of the legislature that Governor Stuart will name a date in January for the meeting of the extra session.

The matter of most interest just now to the delegates and senators is the question of method of putting the reformed system of taxation into operation. The commission was divided, the minority favoring the so-called segregation plan and the majority the paid commission plan. It is believed likely now that the minority report will be adopted by the legislature, the belief being based on the fact that the segregation plan apparently met with the approval of most of the members when the general assembly was in session, last winter. However, the majority of the commission will make a fight in committee and on the floor for the commission plan and they may succeed in bringing about a reversal of sentiment on the question.

The segregation plan calls for the partial separation of State and local sources of revenue by apportioning certain articles of taxation to the State and others to the cities or counties. Real estate, tangible personal property and the tangible personal property other than rolling stock of the railways are to be taxed exclusively by the localities. The State is to levy taxes on rolling stock of the railways, on insurance companies and on all intagible personal property. Some things, such as licenses, banks, telephone, telegraph, steamship and express companies are to be taxed both by State and localities as now.

The estimated defict in the State treasury of $700,000 to be caused by the operation of the separation plan is to be made up by levy on the various counties according to the relative value of the property of the cities and towns. The assessment is to be made by a board of equalization, composed of the governor, the auditor and the chairman of the corporation commission.

The other plan provides for equalization of taxes by means of a paid commission.

These are the two plans upon which the division of the legislature will take place. Of course, the entire report will be discussed and debated and there will be varying opinions of the various schedules, but here the tax commission will be a unit in defending the report.

ELLYSON FOR GOVERNOR

Friends of Richmond Man Positive He Will Soon Declare Himself.

Richmond, Nov. 4—"Lieutenant Governor Ellyson will be in the race for the gubernatorial nomination."

Such was the statement made this week by one of the close personal and political friends of the Lieutenant Governor. It is in line with a report which has been in more or less general circulation for sometime, and son is now, and has been for someson in now, and has been for sometime giving the subject grave consideration and it is not going too far to say that he has about determined to enter the contest.

Mr. Ellyson has been chairman of the State Democratic Committee for many years. He is known far and wide as a Democrat who does things, and he has been assured the support of many of the best-known workers in the State in case he should offer for that position.

With the entrance of Mr. Ellyson into the field there are two candidates for the nomination—Mr. Ellyson and Mr. Byrd. That there will be at least one more there is little question—Mr. John Garland Pollard.

The contest is sometimes off and there may be other aspirants before the date of the primary.

One or two other boys following the machine narrowly escaped a like fate.

BOMB EXPLOSION

Store And Dwelling Damaged And Child Injured.

York, Pa., Nov. 4—An effort was made yesterday morning to blow up the store and dwelling of E. L. Bianco this city. One end of the building was wrecked and a part of the foundation knocked down. A hole was blown in the end of the building big enough to pass an ordinary barrel through. The dynamite or bomb was placed near the foundation in the alley and discharged

The explosion was heard for several squares and the glass was broken from the windows more than a square away. The storeroom is leased by Nick Morello and it is thought that the explosion was aimed at him. There were 15 persons in the building at the time but Joseph Morello was the only one injured. He was cut about the face by the flying glass.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil, you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints and Olive Tablets are tremensely effective result.
